Dear colleagues and friends,

It is a great pleasure, honor and privilege to invite you to the XI Serbian Congress of Toxicology with international participation, organized by the Serbian Society of Toxicology, which will take place in a beautiful, small town Sremski Karlovci ([www.karlovci.org.rs](http://www.karlovci.org.rs)) 80 km far from Belgrade, Hotel Dunav, from 24<sup>th</sup> to 27<sup>th</sup> June 2014.

Under the theme of this Congress *New Frontiers and Challenges in Toxicology* we will give all our efforts to disseminate advanced knowledge in different fields of toxicology. The Congress has attracted many prominent scientists from different parts of Europe and SAD.

We strongly believe that our Congress would be a great opportunity for toxicologists from all around the world to gather, share their results, exchange ideas, and of course, take part in our colorful social program.

Join us and feel the traditional Serbian hospitality. Welcome to Serbia!

Prof. Dr Vesna Matović  
President of Scientific and Organizing Committee
